**THE WORD FOR 2017**

**Consolidation**

---

The market was trying to find an equilibrium and developers were rethinking their strategies to take into account market sentiment and authority requirements.

---

## 2018 OUTLOOK

I think the word for 2018 would be “confidence” as I expect confidence to return and purchasers to transact. There is still demand and many people have been holding back their spending in 2017.
