EDITORIAL NOTES

Dear Readers,

During the recent Hari Raya Aidil Fitri festival, we celebrated this joyous occasion with delicious cookies baked by members of United Voice. Our organization is dedicated to enriching our community by bringing joy to the festivities which includes supporting individuals with learning disabilities through the purchase of cookies that they baked with love.

Our recent 113th Annual General Meeting (AGM) was held at Bukit Puchong Sales Gallery where our Board of Directors connected with our shareholders and provided updates on development progress and upcoming new launches. We extend our gratitude to all stakeholders for their participation and support.

We're pleased to announce the successful completion and handover of the Bromelia project, showcasing our commitment to deliver quality homes for our customers.

As we look ahead, we are thrilled to introduce our newest projects: Erica Residence and Bukit Puchong Boulevard. These initiatives underscore our ongoing commitment to innovation and our mission to make meaningful contributions to both our community and industry.

We appreciate your feedback and contributions, which will help us to improve and deliver valuable content.

Happy reading and please share your thoughts with us.

Warm regards,
