

AYER Group continues to embrace our Societal Purpose of helping others 'Celebrate Life' through providing career opportunities to the youth segment.

2 graduates and 2 trainees from the MYTC-MEOA Conductorship program joined Gali Estate team. As part of AYER's corporate social responsibility program, the company sponsored the program to provide the opportunity for students and graduates to learn and acquire new skills in the plantation industry. Societal Purpose enables the AYER Group and its people to help others to 'Celebrate Life.'
