

DAHLIA LAUNCH EVENT AT AYER BUKIT PUCHONG

On 23 September 2023, Project Dahlia celebrated its long-anticipated launch event, and the results were nothing short of spectacular. Out of the total 43 units available, an astounding 90% of the units have already been snapped up by enthusiastic buyers. This remarkable achievement underscores not only the excellence of the property itself but also the exceptional appeal it holds for those in search of their dream home or a sound investment opportunity.

The 90% take up of the units demonstrates a resounding vote of confidence from prospective homeowners and investors alike, reaffirming Dahlia's status as a sought-after and promising project. With the majority of units snapped up, Dahlia embarks on its journey with an exceptionally strong foundation, setting the stage for a vibrant and thriving community within its walls. This achievement is a testament to the hard work, vision, and dedication of the property development team, who have passionately strived to create a home and it signals a bright and prosperous future for AYER Holding Berhad.
